

Public Notice

Notice to the public is hereby given that the Southwest Clean Air Agency (SWCAA) has issued draft renewal Air Operating Permit (AOP) SW01-12-R3 to TransAlta Centralia Mining, LLC of 1015 Big Hanaford Road, Centralia, WA. The facility was operated as an open pit coal mine until 2006. Reclamation activities are currently being conducted at the site. The AOP is a compilation of all applicable air quality requirements for the facility. The AOP does not modify existing permit limits.

The public has an opportunity to review and comment on the draft AOP. A copy of the AOP will be available on SWCAA's website at www.swcleanair.org. The AOP will be made available in other media, if necessary. All written or oral comments must be received by SWCAA within 30 days after this publication. If there is a demonstrated public interest, a public hearing may be held with the required 30-day notification. The material is available for review at 11815 NE 99th Street, Suite 1294, Vancouver, Washington, Monday through Friday from 7:00 AM to 5:30 PM. Questions and comments should be directed to Clint Lamoreaux at (360) 574-3058 ext. 131, clint@swcleanair.org, or at the address listed above.
