

State Environmental Policy Act

DETERMINATION OF SEPA EXEMPT - SWCAA 19-024

Description of proposal:

ADP Application CO-1012: Transfer of operating responsibility for Berth 2 operations from the Port of Longview to International Raw Materials. The proposed action does not involve any changes to previously approved emission units or potential emissions. There are no substantive changes to facility operations or method of operation proposed.

Proponent: International Raw Materials, LTD (Elizabeth Doolittle)

Location of proposal, including street address if any:
10 Port Way, Longview, WA 98632

Lead agency: Southwest Clean Air Agency

The lead agency for this proposal has determined that the proposed project is exempt from SEPA under WAC 197-11-800(3) as follows: "The repair, remodeling, maintenance, or minor alteration of existing private or public structures, facilities or equipment, including utilities, recreation, and transportation facilities involving no material expansions or changes in use beyond that previously existing; ..." .The proposed project is identified as maintenance of existing equipment and as such it does not have a probable significant impact on the environment. Neither an environmental checklist nor an environmental impact statement (EIS) is required under RCW 43.21C.030(2)(c). This decision was made by the lead agency after review of the proponent's proposal and the information on file with the lead agency. This information is available to the public on request.

This project/permitting action by SWCAA is SEPA exempt.
