

**State Environmental Policy Act**

**DETERMINATION OF SEPA EXEMPT - SWCAA 19-025**

**Description of proposal:**

ADP Application L-699: The proponent has applied for a permit to replace an existing planer mill baghouse. There are no new processes or process modification for this permitting action. There will not be an increase in emissions. This permitting action is not expected to have any significant adverse impact on traffic, noise, glare, housing, or recreation opportunities.

**Proponent:**

Sierra Pacific (Scott North)

**Location of proposal, including street address if any:**

3115 Kuper Road, Centralia, WA 98531

**Lead agency:** Southwest Clean Air Agency

The lead agency for this proposal has determined that the proposed project is exempt from SEPA under WAC 197-11-800(3) as follows: "The repair, remodeling, maintenance, or minor alteration of existing private or public structures, facilities or equipment, including utilities, recreation, and transportation facilities involving no material expansions or changes in use beyond that previously existing; ..." .The proposed project is identified as maintenance of existing equipment and as such it does not have a probable significant impact on the environment. Neither an environmental checklist nor an environmental impact statement (EIS) is required under RCW 43.21C.030(2)(c). This decision was made by the lead agency after review of the proponent's proposal and the information on file with the lead agency. This information is available to the public on request.

This project/permitting action by SWCAA is SEPA exempt.
