

Notification Schedule

Advance Notification Period and Fee. Any notification required by SWCAA 476-050(1) shall be considered incomplete until all the information required by SWCAA 476-050(1) is received by the Agency and accompanied by the appropriate fee. A facsimile of the completed notification form shall be acceptable documentation for the start of the notification period, but the appropriate fee shall be received before the project can proceed. The advance notification period and appropriate fee shall be determined as follows:
